Enex Infrastructure Investment Corporation (hereinafter “EII”) hereby announces that as announced “Notice of the damage by fire at Takasaki Solar Power Plant B” dated June 10, regarding Takasaki Solar Power Plant A and Takasaki Power Plant B, to ensure safety, we have completely suspended operation of the same type of power conditioner as the one in which the accident occurred since June 6.

Now that the results of on-site investigations by the O&M contractor and the power conditioner manufacturer have been completed, we have been gradually restarting operations since June 15, while paying attention to safety.

We will let you know once again if there is any progress in the situation.
